

Local Government Climate Action Program Survey Submission Report

Terrace

Report generated on Thursday, July 14, 2022 14:36 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	No, but we are intending to undertake one in the next two years
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, corporate GHG emissions are not currently being measured, but we are currently undertaking one and it will be complete in the next year
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	Community GHG emissions are measured, but the inventory is not publicly disclosed
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	Yes
4.a. Please provide your reduction target(s).	80% below 2007 levels by 2050
4.b. Please provide the target year.	2050

4.c. Please provide the baseline year.	2007
4.d. Please provide the link(s) to the document(s) or website if available.	https://www.terrace.ca/sites/default/files/docs/business-development/terrace-2050-sustainability-strategy-oct-2009final.pdf
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	Step code adoption
6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	Secure bike parking shelters are currently being constructed at all the City of Terrace buildings for employees. Completing a fleet replacement policy to EVs. Building two Multi-Use Pathway projects this year to connect a cross town dedicated multi-use pathway as prioritized under the Active Transportation Plan.
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	Working on a Climate Change Adaptation Plan which includes mitigation strategies that will look into revising policy direction and action plants towards energy emission planning. Looking at integrating natural asset management to our asset management tools.
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	Phases 2 and 3 of our Climate Change Adaptation Plan will look at the City's risks and vulnerabilities from climate change.
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	Compact and Complete Neighbourhoods is a community goal that has 7 objectives that encourage and promote energy efficiency and diversity of dwellings, mixed land use, and multi-modal transportation options. Policy objective for our Downtown promote mixed land use and increase in residential density by infill, tax exemption program. Target's 10% of total pop living in downtown.
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	Urban containment boundary restricts sprawl and redirects development to established areas. Cost Development Charges to pay for development.

11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	Rental market, vacancy rates, emissions, car ownership, modes of transport, income, housing prices,
12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	working on Climate Change Adaptation Plan, EV Policy for our Fleet, hired a PICS sustainability intern (short term). Currently working on Phase 1 of the Climate Change Adaptation Plan with PCIC and Pinna Sustainability that looks at the Climate Projections for the City of Terrace. Outcome of the Climate Change Adaptation Plan will provide projections, impacts from climate change to understand the risks and vulnerabilities to be able to prioritize actions effectively. Mitigation is also a key component where we will analyze our policy objectives and look to how we can reduce emissions.
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, but we are intending to undertake one in the next two years
14. What are the three most significant climate hazards faced by your jurisdiction	"Overland flooding","Wind, rain, and other storm events","Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)","Extreme heat and heat stress","Extreme cold, snow and ice","Wildfire","Water shortage","Coastal flooding, storm surge events and/or other coastal hazards"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households","Indigenous peoples","Seniors"
17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households","Indigenous peoples","Racialized communities","Newcomers to Canada (immigrants and refugees)","People experiencing homelessness","Seniors","Women and girls"

18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "Indigenous peoples", "Seniors"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "Increased staff knowledge, expertise and data specific to climate adaptation", "Increased staff capacity"
20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"There are no specific measures in place at this time to ensure equitable access to, and distribution of, opportunities and benefits"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we assess our plans and priorities for multilevel alignment"
22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	Yes
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time", "Climate or energy studies and/or assessments", "Climate or energy plans, policies and/or strategy development", "Climate resilient infrastructure and/or capital project(s)"
24. Please provide your (or survey primary contact's) first and last name.	Jennifer MacIntyre

25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Planner III
26. Please provide your (or survey primary contact's) business email address.	jmacintyre@terrace.ca
27. Please provide your (or survey primary contact's) business phone number.	2506154032

Local Government Climate Action Program Attestation Form

Instructions for the Attestor:

1. Complete and sign this form by filling in the fields below.
2. Email the completed and signed form to LGCAP@gov.bc.ca.

I, the Chief Financial Officer, or equivalent position, of City of Terrace (name of local government) confirm the following:

1. That Local Government Climate Action Program funding has been, or will be, allocated to climate action.
