# Successfully out of Treatment and Newly Housed

Partner with key local stakeholders through the Housing Inter-Agency Project HIP working group to offer immediate housing and support to homeless participants through a “housing first” approach

**KERMODE**  
FRIENDSHIP SOCIETY

KFS is an active participant on the Terrace and surrounding community's front lines, working directly with marginalized peoples. All services are delivered with cultural awareness and sensitivity.

# Fish Processing – Prepping Fish to Smoke at Ts'Eliksit Language and Culture Camp 2018

# KFS Christmas Dinner December 13, 2019

# Successes for April 2018 – March 2019

- # of people served 80
- 4 most common issues facing our people:
  - Addictions, Mental Health, Trauma, and education
- # of people housed 35
- # of people jobs 47
- 4 greatest challenges:
  - Grossly inflated housing market, lack of available housing, unemployment and underemployed, lack of health resources – addictions and mental health
- 4 greatest successes:
  - Reuniting families, successful completion of treatment, mental health assessments identified, financial stability through employment and or advocacy securing social assistance and PWD, these improve self-sustainability
